## 'Hear the Word of God and Do It'

**LIVING IN THE WORD?** – The commandment to love our neighbour moves us to evangelize the social and political order, bearing always in mind the dignity of the human person and concern for the common good in accord with Catholic social teaching. Particular outreach must be directed to the impoverished and marginalized. Addressing the plight of the poor, the Holy Father says: "We are called to find Christ in them, to lend our voice to their causes, but also to be their friends, to listen to them, to speak for them and to embrace the mysterious wisdom which God wishes to share with us through them." (*Evangelii Gaudium*, 198).

(Archbishop Smith, *Pastoral Letter*, Sept. 14, 2017) <https://caedm.ca/Letter>

## Archbishop's Dinner

Thank you to everyone who joined us for the first annual Archbishop's Dinner! It truly was a Grateful Gathering of friends, and left us all with a renewed love for our faith and a refreshed commitment to our individual parts of the mission to which Jesus has called us. We look forward to doing it again next year. For highlights of the evening, check out the video as well as the story on Grandin Media. And in case you weren't able to be there in person:

## National Catholic Health Care Week - October 6 - 12, 2019

From October 6 to 12, we will celebrate the very first National Catholic Health Care Week in Canada. This week organized by the Catholic Health Alliance of Canada provides the opportunity to highlight the inspiring work of Catholic health care organizations—such as Covenant Health, Covenant Care, Covenant Living and other organizations that support health and well-being – both in our diocese and across Canada. At the heart of Catholic health care is a deep respect for the intrinsic value and dignity of every human being and an unwavering commitment to serving all people, from all backgrounds and faiths – especially society's most vulnerable.

During National Catholic Health Care Week, we give thanks for the courageous gift of Catholic health care. Whether it be in hospitals, community health centers, or seniors care homes, Catholic health care provides purpose-driven care with compassion and innovation. Each year, Catholic health care providers serve more than five million people in need in Canada. Every person who contributes to working in Catholic health care is living out the healing ministry of Jesus Christ by helping those who are most marginalized by society. We give thanks for the thousands of physicians, nurses, employees, and volunteers who give of themselves to care for all in need.

For more information about Catholic health care in Canada or the week, please visit [www.chac.ca](http://www.chac.ca) or [www.passiontoheal.ca](http://www.passiontoheal.ca).

### Voting as Catholics: 2019 Federal Election Guide

- respect for life
- concern for the weakest among us
- religious freedom and freedom of conscience
- solidarity with Indigenous Peoples
- support for families
- funding for education, healthcare, housing
- action on human trafficking
- care for the environment

The Guide has been formatted for online sharing and includes hyperlinks directing the reader to further resources on various issues important to Catholics.
